for

Open Rifle and Pistol Range

Safety is your responsibility, not someone else's!!!

In addition to the *General Range Rules*, the following rules will apply **ONLY** to the Open Rifle/Pistol Range.

1. Club members must sign the range sign-in sheet & pay \$1 range fee (Guests pay \$2) before shooting.
2. **RED LIGHTS FLASHING** indicates range is under CEASE-FIRE (range is cold)
3. When a cease-fire is called, all firearms must be unloaded, actions open and up, Chamber flags inserted (if you have one), benched, and shooters standing behind the yellow line.
4. Only cased firearms may be brought to the firing line during cease fire. Cased firearms must stay in case until line is declared hot.
5. No one shall go forward of the firing line for any reason until a complete range cease-fire has been acknowledged by all shooters present and **RED LIGHTS** have been turned on.
6. Never handle uncased firearms or accessories (including magazines and ammo) while **RED LIGHTS** are on or when anyone is down range.
7. Use paper targets only, which are to be attached to the face of the wooden frames provided by the club.
8. Do NOT move 100 yard target frames up to the 50 yard line located in the middle of the 100 yard rifle range.
9. Keep your equipment on one (1) bench that you are using. One member card equals one (1) bench. Use gun racks behind the bench you are using.
10. All firearms should be properly sighted in for safe use on the range. If you are not sure of your sights, check them by shooting from a bench with a rest at 25 or 50 yds. Make sure you are on target.
11. Make sure your bullet hits the proper target and impacts the berm behind the target. If you are not sure where your bullets are going, call for assistance or move to a shorter range to investigate.

13. All shots must be fired from a stationary position. No run & gun shooting!
