In addition to the *General Range Rules*, the following rules apply **ONLY** to the Action Pistol Range.

2. Each member and guest must sign the Action Pistol Range sign-in sheet & pay \$5 range fee before shooting. Range fee goes to Support the Action Pistol Fund. Special Action Pistol events may require additional range fees.
3. Children age 10 and over may participate if accompanied by a parent or guardian. Youth fee is the same as listed in #2 above.
4. Proper eye and ear protection is to be worn at all times by shooters and spectators, when range is hot.
5. Proper firearm safety is to be observed at all times.
6. Prior to start of an event, a brief safety meeting will be held. **ALL** shooters must be present for the meeting. Late arriving shooters may be allowed to participate at the discretion of the match director.
7. Firearms must remain unloaded and holstered or cased at all times except under the direct supervision of the RSO during the shooter's turn:
  - a. Firearms may be handled at the safe table. ***NO AMMUNITION is to be present while handling at the safe table.***
  - b. Magazines, speed loaders and moon clips may be reloaded in the spectator area, but firearms shall not be handled.
8. During Periods of extended daylight during the summer, shooting will cease no later than 8:30 p.m. During periods of shorter daylight, shooting may continue later if lights are available, with shooting ceasing no later than 8:30 p.m. It is at the discretion of the match director to continue or complete a match beyond 8:30 p.m. If lights are not available, shooting will cease no later than 30 minutes before sunset. At the discretion of the match director, shooting may cease earlier if visibility is poor.
9. Other members and guests may use the main firing line and enclosed pistol range while Action Pistol is taking place. However, if the Action Pistol Range is unusable during the normally scheduled time, the match director has the discretion to move Action Pistol to the end of the rifle range and close the main shooting line and enclosed range to other shooters.
10. Brass policy: Do **NOT** pick up brass at the end of your turn (except moon clips). At the end of the night, brass will be divided evenly among those shooters who stay and help to pick it up.
11. Within the boundaries of safe firearm practices, additional rules for the evening may be set by mutual agreement among the participants with RSO approval.
