Greetings from Fall Creek Valley!!

Wasn't this a great Summer for the Club and its Members?! We gained over 83 new members, hosted MANY events for Archery, Trap, 4-H, High School Trap, High Power Rifle and varied Youth Programs. Several Ladies Day Classes, Basic Pistol Classes and assisted **18 New Gun Owners** with their safety requests on the Range! Many were Women who were new to shooting and wanted safety instruction. The **Work Day Team** replaced 3 Baffles on the Rifle Range that were rebuilt over last winter! Talk about a Busy Place! We truly are an asset to the community in so many ways! Would you like to add your skills for an even better year in 2022?

Each white dot shows **DAMAGE** done to our new baffle in **JUST 3 DAYS!**

What kind of member thinks it's Fun to destroy what other members work so hard to provide for our Club? This is not a video game!

*Please take time to place your target at **EYE LEVEL** from the position you are SHOOTING in:
sitting – lower it; standing- raise it to eye level.*

REMEMBER - L👁️👁️K BEHIND YOUR TARGET!!

Adding new cover to the 100 yd berm

Indiana Reduced Course 100 Yard, High-Power State Championship

The match was hosted by **Fall Creek Valley Conservation Club**, Markleville, on Sept. 25, 2021. **Mike King** of Fort Wayne is the new State Champion shooting a solid 788 – 33x to outdo the field of ten shooters. This was no cake walk for him because there were three new National Records established during the match. Junior shooter, **Madelyn Schnelle**, set a new Women’s aggregate National Record with a 786 -32x besting the old record of 773 – 18x set by L Decker, back in 2002. Madelyn’s prone rapid-fire score of 199 -11, beat the old women’s rapid-fire record by X count. Maddy’s comment after the match was “I can do better next year.” Her score was good for second place in the Championship. Third place in the match was taken by **Phil Beaver** who shot a new National Record for Police with a 780 – 25x. This score beat his old record of 777 – 22x set back in 2015. I think Phil felt like he needed to make a showing after the performance his kids, Meghann and Andrew Beaver, posted at the CMP Nationals at Perry this year.

Club elections are THURSDAY, NOVEMBER 18th from 6-8 pm

YOU MUST HAVE YOUR ID CARD TO VOTE!

Come to the Clubhouse and meet the candidates for the Education & Training Board position. Due to the requirements enshrined in our bylaws, none of this year’s prospective candidates are eligible for elections to Board positions. The only position we have to vote for in a place on the Education and Training Board. Please come support your club and participate in our election this year/ We sincerely hope that next year we return to the Game Dinner meeting & Election - and the fun times that we all have enjoyed for the last 67 years!

Greetings from Fall Creek Valley Conservation Club!

It's that time of year again! Time to pay your 2022 Club Dues!

As you all know, 2022 was a VERY busy year for our Club! In handling all our major projects, it seemed every day had details and decisions of every shape, size and form. With the help of many fantastic and dedicated working members, we got through these projects one by one - and accomplished almost everything we set out to do - and on time! ***Thank You!*** - to ***ALL*** of you who came to the work days and shared your skills!

The dues for 2022 are due between ***January 1 and February 29***. This is the same as last year - ***\$70 for a single membership, and \$75 for a family membership***. You are welcome to add any extra you wish to gift to the club.

Please use the following address to send your dues to:
P.O. Box 2897, Anderson, IN 46018.

Please make sure to put your **gate card number** on your check. This ensures that we credit your payment to *you* and not another member with the same name. Your card number begins with 000xxx

Every year, for various reasons, some members may not renew their dues. If you decide you cannot rejoin us this year, please return your gate card. The Club must buy new cards in lots of 1000, which gets very expensive at almost \$5,000. So please return your card when you're no longer going to be using it, as another way you can help the club.

Thank You for a great year at Fall Creek Valley,
and Thank You for supporting your Club again this year!
