

FCVCC SAFETY RULES AND REGULATIONS for ENCLOSED PISTOL RANGE

Safety is your responsibility, not someone else's!!!

In addition to the *General Range Rules*, the following rules apply **ONLY to the Enclosed Pistol Range.**

1. Members & guests MUST sign the **Enclosed Pistol Range sign-in sheet** & pay the posted enclosed range fee before shooting.
2. Guests MUST sign the FCVCC waiver on EACH visit to the range.
3. **NO SHOOTING ACROSS FIRING LANES. NO EXCEPTIONS!!**
4. NO SHOOTING AT MOVING TARGETS!
5. All targets must be at **SHOOTER'S** eye level. This is critical when shooting at targets which are less than full range length away from firing line. **Targets must be re-positioned for each shooter!**
6. **No chairs and no kneeling** to shoot, except handicap members. Those positions increase the angle of shot, which may bypass safety barriers and baffles.
7. **DRAWING AND FIRING FROM A HOLSTER IS NOT ALLOWED.** PERIOD. Start from a low ready position. *There is a Liability concern with so much concrete. Someone could shoot themselves in the leg or others on the line because of inexperienced people drawing from a holster or unsafe holster position.*
8. All shots must be aimed and controlled. **No rapid fire allowed**; double taps are permitted but allow at least 1 second between other individual shots.
9. Do **NOT** shoot at targets any closer than 3 yds.
10. **IF the Open Rifle/Pistol Range goes cold, the Enclosed Pistol Range is NOT required to go cold when the wooden door between the two ranges is CLOSED.**
11. All pistols must be holstered or unloaded and bagged before leaving the shooting tables.

AUTHORIZED AND PROHIBITED GUNS/AMMO

1. **PISTOLS ONLY.** NO rifles. PERIOD.
2. Maximum Pistol caliber allowed is .50 cal. **Straight wall pistol cartridges only.**
3. **No high-power center fire rifle cartridges**
4. No rifle cartridges in any firearms, except “.22 rim fire”.
5. **No shotshells or shotgun slugs.**
